

welcome to
FIFTH GRADE

2023-2024

Dear 5th Grade Families,

Can you believe our kids are in 5th grade?! I wanted to send out a letter to explain to everyone exactly what 5th Grade Committee is and will be doing for your children this year. The 5th Grade committee is a subcommittee supported by the Boyle PTA that provides the students with yearbooks, end of the year BBQ, 5th grade dance, 5th grade t-shirts, end of year gift, etc.! We will hold a few events throughout the school year to raise money to fund these things. We hope that parents sign up to help us make these events successful. The 5th grade committee meetings are held right after PTA meetings once a month in person and virtually. I look forward to us coming together so that we can make their 5th grade year memorable.
